

Become a **VIP** in Building the Workforce of the 21st Century

unite!

creating common ground in northern Illinois

-  *increase your company's **Visibility** to potential workforce*
-  *provide **Information** to youth about career opportunities*
-  *create a **Pipeline** where education aligns with industry*

unite!

is an easy to use online tool that connects your organization to the future workforce in your company.

unite! is brought to you by
a regional delivery system for grant funds,
targeted at secondary Career and Technical
Education programs.

**CEANCI serves 28,500 students in 34 area

CEANCI currently provides Career Cruising, an internet based career exploration and planning tool, to area students. Career Cruising includes: assessment tools to help identify student career interests, skills and learning styles; career profiles with direct links between careers and related college programs; college, university and apprenticeship information; employment guides with advice for all stages of the job search process, and a resume builder that helps the student create professional looking resumes quickly and easily.

With the recent addition of unite! feature on the Career Cruising website, the program now allows students and job seekers of all ages to connect with local businesses and industry professionals. Local employers are invited to post company profiles, volunteer to be **Career Coaches**, and participate in **Career Exploration Activities** of their choosing.
